The Benefits of Renewal By Andersen Window

Windows are an investment, so before you purchase, you need to be sure that you have picked a trustworthy company. Look no further: Dial One Window Replacement Specialists are here for you!

Dial One offers [Renewal by Andersen](#) windows which are made from Fibrex® material, a revolutionary material technology that blends the beauty and durability of wood with the long-lasting, low-maintenance features of polymers and resins. This patented material has wood-like properties but cannot dry rot and is not susceptible to termite damage like wood. Plus, it never needs to be painted, but can be painted, if custom color is desired.

Fibrex® material is twice as strong as vinyl and is not subject to the constant expansion and contraction cycling of the vinyl material used in vinyl windows and doors. Plus, unlike vinyl it is a structural material. Dark colors are available and real pine, oak or maple interiors are

Loaded Oatmeal Cookies

Oatmeal cookies loaded with flavor!

Ingredients:

1 cup raisins
2 sticks unsalted butter, softened
2 cups light brown sugar
1 teaspoon pure vanilla extract
2 large eggs
1 1/2 cups all-purpose flour
1 teaspoon baking powder
1/2 teaspoon baking soda
1/2 teaspoon salt
1/2 teaspoon ground cinnamon
Pinch grated nutmeg
1/4 cup buttermilk
2 cups quick-cooking oats (not instant or old-fashioned)
3/4 cup chopped toasted pecans
3/4 cup white chocolate chips

Directions:

Preheat the oven to 350 degrees F. Lightly grease 2 large baking sheets and set aside.

Place the raisins in a medium bowl and cover with boiling water. Let sit until plump and moist, 15 to 20 minutes. Drain well.

In a large bowl, with an electric mixer cream the butter and sugar until fluffy. Add the vanilla extract and eggs, and

beat to combine.

Into a medium bowl, sift together the flour, baking powder, baking soda, salt, cinnamon and nutmeg. Stir into the butter mixture, and add the buttermilk, stirring to mix. Fold in the oatmeal, raisins, nuts, and chips, blending well.

Drop the dough onto the baking sheets by rounded tablespoons, spacing them 2 inches apart. Bake for 10 to 12 minutes.

Let cool on the sheets for 5 minutes, then transfer to wire racks to cool.
